Testimonials: //

Bui Trung Thuong, Trade Counsellor, Head of Trade Office: Vietnam is proud to be the Partner Country of IHE 2024. It is the first time we have participated in the Expo and here we have displayed Vietnamese cuisines. We are impressed in terms of size, in terms of products, and participation of exhibitors and we are happy that Vietnam has been selected to be the Partner country where the organiser allows us to network with Indian hospitality professionals.

Bikram Chauhan, Himachal Tourism: Here at IHE we got a chance to directly meet and interact with the executives, General managers and representatives. Himachal Tourism has a lot of hotels and lounges. I am grateful to the organizers for holding such an expo to promote our industry. The management and facilitations were fantastic in IHE 2024.

Elisha Suri, Venus Industries: Indeed, on this platform, we meet our clients, this is a platform wherein we can display our products and people get to see more, so we get a lot of networking from here. It has benefitted us for the past 7 years since we have been participating in this event.

Girish Sharma, Boon: It is a very huge platform for us where we get in touch with all the hospitality champions, especially the General managers, and procurement teams. Last year when we started with IHE, we were very new, and we had 70-80 hotels in India, and after coming here now we have 300 hotels operational in India. It not only boosts our business but also helps our company to network and socialize, hence it's a great platform for us.

Uttam Milani, Century Mattress: It has been an enriching experience. It has been much more active and buzzing with crowd and activity, hence has surpassed all the expectations. This fair should go a long way in connecting with the prospective customers. IHE is doing a great job in connecting buyers to sellers and agents for good knowledge sharing and display product innovation.
